

P570 Spline Knob

The spline knob features a matt black body with a choice of 9 different coloured pointers moulded into the body. The P570 is designed to push fit onto one of our 6mm Spline spindle.

We can also accept enquires for a 'soft touch' alternative to this knob. Please contact our sales team and ask about the P670.

To assist with you order please select which pointer colour you require from the options below.

P570
